

Module 1 Workbook

Reflection: Who?

Inclusion: Philosophy or practice?

- Take a second and reflect on who you believe inclusion to include
 - In philosophy?

 - In practice?

- What does this look like in your school?

Reflection: What?

- Reflect on what you believe inclusion can look like:
 - At the class level?
 - School level?
 - Community level?

WHERE IS INCLUSION IN YOUR SCHOOL??

	physical	social	curricular
In elective classrooms			
In content classrooms			
In the school			
Extra curricular activities			

Reflection: Why?

- Discuss with your group why you believe inclusion is important?

How the heck do we do it?

- What are some strategies that you and your school ALREADY do to support inclusion?

Reflection

- What is inclusion? Has your definition of inclusion changed?

- Reflect on your education, either as a teacher or a student, what has your experience been with inclusion, exclusion, segregation or integration?
